## **SFL-TAP Employer Tours Information Paper**

As of June 7, 2018

### **[Register for Upcoming Employer Tours:](#)**

- Our Employer Tours are hosted by the Greater Columbus Georgia Chamber of Commerce, Liberty Utilities, and Buffalo Rock Pepsi
- All SFL-TAP Employer Tours are FREE of charge to employers.
- The target audience for our Employer Tours are employers and business that are committed to connecting with and the hiring of Transitioning Soldiers, Veterans and Military Spouses
- We can accommodate up to 30 individuals for each Employer Tour but, we have demonstrated and our feedback supports that smaller more focused Employer Tours produce better results for employers and provide a better return on investment to our stakeholders
- Our Employer Tour starts at 8:00am and ends at 4:00pm, a complete agenda will be sent out via email within at least 72hrs prior to the event to all registered participants
- The Exact location to meet and start the tour is: Soldier for Life Center, 8150 Marne Rd, Building 9230 Fort Benning, GA 31905
- Employers will see and interact with Soldiers in the soldier's workplace. Employers are encouraged to ask questions to gain a better understanding of what skills Soldiers bring to the civilian workforce
- In order to attend any of our events you need to have provided us and we have to have posted at least one open career announcement (see the document titled SFL-TAP On-line Posting of Job Announcements Requirements Paper v3), Schools will no longer be approved by ACES to participate in the weekly Connect Event sponsored by SFL-TAP unless they are part of an approved Career Skills Program (CSP)
- We will send out "tips & pointers" for our tour along with the complete agenda on what to wear. You will have the opportunity to put on a parachute, climb in, out, and on tanks and be exposed to temperatures throughout the day

### **The desired outcomes of this effort are:**

1. Provide an event that allows the employer to see firsthand the skills that a Soldier will bring to their company
2. Provide an event that fosters a reduction in any gaps and/or roadblocks that may exist between Transitioning Soldier and employer.
3. Remain small and focused so not to overwhelm the intent.
4. Based on feedback and input from all concerned attendees, changes to the structure of the SFL-TAP Employer Tour can be expected on an on-going basis.
